1. Discussion on Main Line Highway Project

Grant has two bids for 2640 feet, Merzville Rd. to Mule Springs Rd. \$106,000 - \$130,000 plus engineering. We discussed getting engineering done this winter and starting work Spring 2021. We have 6 inch line ACP to Trout Springs, discussed changing it all to 8 inch from Merzville to Trout Springs. Need engineering and permits with Forest Service.

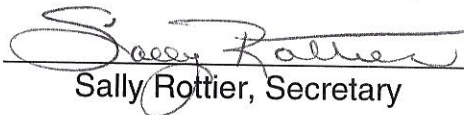

2. Discussion of Snow Well

Water still has an odor. Grant needs to run more tests. Suggest calling the company that installed the system to find out if it is a medium problem. Grant to write a letter to Forest Lakes Fire District to explain why the Snow Well is down. Meeting was closed at 10:50 AM.
